3:15pm Break/Networking

3:45pm **Keynote**
The Language of Healing
 Titilope Sonuga
 Globally renowned poet, playwright and performer

4:45pm Adjourn

Saturday, July 22, 2023

7:00am Registration and Breakfast

8:00am **Keynote**
Refugees at Risk
The Honourable Lloyd Axworthy
Chair, World Refugee & Migration Council

9:00am **Keynote**
Title TBD
TBD

10:00am Break/Networking

10:30am Morning Concurrent Plenaries

Resilience through Solidarity and Understanding
Boban Stojanovic
Director, LGBTQ+ and Vulnerable Population Services
Centre for Newcomers

Dante's Inferno and Purgatory in the Americas: US-Mexico border bound journey of migrant peoples in transit across the Darien Gap in Panama
Carlos Franco-Paredes MD, MPH
Fulbright Global Scholar (US-Panama)

11:30am Lunch/Poster Hall*

1:00pm Concurrent Workshops

Topic	Title
Advocacy	<i>Forensic Medical Evaluations: Skills Workshop on Trauma-Informed Interviewing and Affidavit Writing (Part 1 of 2)</i> *This workshop is intended for those with some prior training in medical evaluations for survivors of trauma and/or professionals who have completed the AMTI Introductory Curriculum prior to NARHC. RSVPs are encouraged through this Survey Monkey link .
Community	Restructuring Power and Authority between Institutions and Community to Address Health Disparities
Education/Research	Practical Tips for Conducting Qualitative Interviews with Refugee and Immigrant Communities

Infectious Disease	Hepatitis B
Models of Care	Facilitating successful community-based refugee resettlement: Pearls and pitfalls
Mental Health	Attachment: Reducing the Impact of Early Childhood Trauma for Refugees & Immigrants
Pediatrics	Caring for unaccompanied and separated migrant youth: From the clinic to the community

2:00pm Travel Time

2:15pm Concurrent Workshops/Scientific Abstracts
